

International

Conference on Intelligent Decision Technologies

19-21 June 2024

INVITED SESSION SUMMARY

Title of Session:

IS - Artificial Intelligence, Machine Learning and Deep Learning in Intelligent Decision Technologies

Name of Chairs:

Chair:

Dr. Mihaela Luca

Institute of Computer Science, Romanian Academy, Iași Branch, Romania

mihaela.luca58@gmail.com

Co-Chaired by-

Assoc. Prof. Anca Ignat

Faculty of Computer Science, University "Alexandru Ioan Cuza" of Iași, Romania

ancai@info.uaic.ro

Details of Session:

Decision intelligence, decision engineering, intelligent decision technologies, these are scientific areas that are interconnecting social sciences, to decision theory and managerial strategies, using artificial intelligence (AI), machine learning (ML), deep learning (DL), and ultimately generative AI.

Intelligent decision technologies are impacting a wide range of domains, from medical diagnosis, to medical treatment and robotics, from industrial fabrication to product selling and distribution, to ecology, climate surveillance and prevention, etc.

New ideas are waited from a very wide range of domains, to automatically improve decision making and to develop our society facilitating human existence.

Important Dates and Deadlines

Submission of Papers: 1 Feb 2024

Notification of Acceptance: 15 Feb 2024

Upload of Publication Files: 1-st of March 2024
